WINDSOR

The decors

L'effetto pietra Windsor racchiude nella sua gamma, anche due decori nel formato 30x30 cm.

Il mosaico, rigoroso nella sua forma, ordinato quasi a ricordare una scacchiera.

Palatino invece più sbarazzino e moderno, piccoli frammenti di gres effetto pietra che sembrano mischiato dal vento.

Due mosaici così diversi tra di loro, ma che completano un'ampia gamma di formati, e che permettono alla serie Windsor di arricchire di piccoli dettagli ogni ambiente che veste.

MOSAICO

*The Windsor stone effect series also includes two decorations in the 30x30 cm format. On one hand is the Mosaic T36, orderly and rigorous in its shape which reminds us of a chessboard. On the other hand the Pala*no, more jaunty and modern, is composed of small fragments of stoneware that seem to be mixed by the wind. Even if they might seem two mosaics so different from each other, they complement a wide range of formats allowing the Windsor series to enrich every room with small details.*

*L'effet pierre Windsor comprend dans sa gamme deux décors au format 30x30 cm. Le premier est le Mosaic T36, rigoureux et ordonné dans sa forme, ressemblant presque à un échiquier. Le deuxième est le Pala*no, plus gai et moderne, composé de pe*ts fragments de grès effet pierre qui semblent être mélangés par le vent. Il s'agit de deux mosaïques très différentes entre eux, mais qui complètent une vaste gamme de formats et qui permettent à la série Windsor d'enrichir n'importe quelle pièce de pe*ts détails.*

Die Serie Windsor mit Steineffekt fasst auch zwei Dekore in der Größe 30x30 cm um: Mosaic T36, streng in der Form und fast schachbrettartig angeordnet, und Palatino, locker und moderner, bestehend aus kleinen Steingutfragmenten, die vom Wind vermischt zu werden scheinen. Zwei Mosaiken, die so unterschiedlich sind, aber eine breite Palette von Formaten vervollständigen und es der Serie Windsor ermöglichen, jeden Raum mit kleinen Details zu bereichern.
